## NEWS RELEASE 2

### THE KIWI'S ARE COMING!

With over 50 competitors coming across the ditch to enter the Championships, this event is going to be Big! The courses are set, the riding areas are great and we have ordered another side of beef for the Spit Roast Dinner.

**Priority 1-** Get your nominations in to represent Australia in the Aus/NZ Challenge. <https://goo.gl/forms/tNkIDdUF823Uvh1n1>

**Priority 2-** Get your entries in and book the accommodation at Kirrikee Outdoor Centre.

**Priority 3-** Prepare for a fun week of MTBO events in a great location.

Even though the pointy end of the Championships is serious racing, the courses allow for all levels of riders to have an enjoyable and challenging ride at their own pace. Juniors are encouraged and you can ride with a partner or children in the Recreation Class.

### Junior's under 14, have free entry!

The central location for the accommodation and events will allow competitors and families to socialise and relax between events. We plan of having a few sausage sizzles along the way!

**The first 80 entries will receive a pair of Aust Champs MTBO socks.**

**Bulletin 2** is now on Eventor. Accommodation and Presentation Dinner Details are also on Eventor.

**MTBO Discussion:** Ricky Thackery will be holding a short MTBO session/talk at Kirrikee Outdoor Centre on the Friday night. All are welcome!

**VIDEO/PHOTOS:** We should have a drone to follow the action as well as a few Go-Pro. With a little luck we will be showing the video at the presentation dinner. Does anyone have a quality Projector we can use on the night.

**Accommodation & Services:** There are 6 bunk spaces and 15 Tents available for booking, no limit on camping. Get in early. There is an event page for accommodation on Eventor.

Here is a short You tube on Wingello Forest.
